

Safety Procedures for Cat Sitting during Covid-19:

-  Please move all supplies to one, easy to access area (food, litter, cleaning supplies)
-  Your cat sitter will remove their shoes and leave them outside the apartment before entering.

-  Your cat sitter will wear a mask at all times.
-  Your cat sitter will wash their hands upon arriving.
-  Your cat sitter will limit the amount of surfaces they touch.

-  If a cat sitter has Covid related symptoms they will get tested and clients associated with that cat sitter will be notified.
-  Please notify us if anyone in the home is tested positive for Covid-19 or are self quarantined.
